Explain any specifics: promotes understanding of Appalachian culture					

Social Change Outcome*Choose one*

- Strengthen Community Identity Support Community & Economic Development
 Develop Cultural Literacy Address Social Needs

Explain any specifics: Actually, this program does all of the above.

Creative Process*Briefly describe the major features of the nominee's creative process*

Rooted in regional culture, Appalshop liberates the voices of Appalachian people through the arts and enables them to promote understanding to mainstream cultural groups and others about the rich heritage of Appalachian culture. In the process, local people are better able to articulate and address their own social needs.

Artistic Product*Briefly describe the major features of the nominee's artistic output*

Many documentaries and other media arts, media institutes for teachers and students, radio, etc.

Nominee's Recognition/Age/Employment*Choose only one from each row*

- Locally Recognized Regionally Recognized Nationally Recognized
 Young Adult Adult Elder
 Salaried Staff Member Project-based Consultant Non-paid Professional

Elaborate if necessary: Appalshop, in particular, should be recognized as a collective, collaborative effort by many artists of many ages.

Publications*Please list any published materials (books, articles, videos, cd's) either by or about this nominee*

Many videos in the Appalshop catalog.

:

Rationale*What is special or emblematic about this artist that makes you want to include him/her/them?*

Through community activism and art, Appalshop gets results that strengthen local communities and promote cultural understanding.
